PMC Managers v2 — How to use the platform

Step-by-step user journey · from account creation to a signed contract · Vendor · Admin · Staff

Vendor action · Admin action · Staff action (Escrow/Legal/Acct/Cert) · System-generated event

PHASE 1 · ONBOARD

1 **Admin logs in**
/admin/login
adminsupport@pmcmanagers.com

2 **Configure Product Catalog**
Admin Dashboard → Product Catalog
Set prices · currencies · UNSPSC tags

3 **Set up Staff accounts**
Admin Dashboard → Permissions
Assign roles: Escrow · Legal · etc.

4 **Vendor self-registers**
/register (Sections A–E)
Or admin invites via email token

5 **Upload KYC docs**
Articles · bank ref · POA
Section C document slots

6 **Legal reviews KYC**
/staff/login as Legal
Approve / reject / request more

7 Vendor unlocked to bid
Otherwise HTTP 412 on submit

PHASE 2 · PUBLISH TENDER & INVITE BIDS

8 **Draft tender**
Admin → Tender Builder
Clone master · edit sections A–R

9 **Attach BOQ + docs**
Upload Excel BOQ · PDFs
Tag UNSPSC commodity

10 **Publish notice**
Admin → Notices → Publish
Sets deadline · locks approval matrix

11 /notices (no login)
Vendors download docs · EN/RU/KK

12 **Publish corrigenda (optional)**
Extend deadline · amend clauses
Auto-notifies subscribed vendors

13 **Vendor asks a clarification**
Public Q&A thread
Email masked · admin replies

14 **Schedule pre-bid meeting**
Admin → Meetings
Jitsi (free) or Zoom (S2S OAuth)

PHASE 3 · VENDOR BIDS & PAYS EMD

15 **Vendor logs in**
/vendor/login
Sees active notices dashboard

16 **Fill technical + commercial bid**
Two-cover envelope
Price + tech notes + docs

17 **Pick payment rail**
Stripe · PayPal · Kaspi
EMD amount from notice

18 Escrow ledger row = received
Bid becomes visible to committee

19 **Vendor reviews bids**
My Bids dashboard
Withdraw before deadline

20 **Attend reverse auction (opt)**
Live bid room
Anti-snipe · anonymised

21 Cover 1 (tech) auto-opens
Cover 2 stays sealed until clear

PHASE 4 · APPROVAL PIPELINE & AWARD

22 **Certifier verifies bidder**
Site visit · references
Sign off in staff console

23 **Legal clears clauses**
Redline optional bid clauses
AI redline suggestion (advisory)

24 **Accounting confirms EMD**
Ledger reconciles gateway
Approves financial capacity

25 **Committee scores bids**
Rubric per criterion
L1 auto-comparison helper

26 Financial cover revealed
Only for tech-clear bidders

27 **Committee picks winner**
Award button in Evaluation tab
Audit-logged with reason

28 Purchase Order · SLA · Contract
Numbered PMC-PO-YYYY-#####

29 **Winner notified**
Email + vendor dashboard alert
Losing bidders auto-refunded EMD

PHASE 5 · CONTRACT · SIGN · SETTLE

30 **Send envelope for signing**
Admin → DocuSign tab
Embedded OR email delivery

31 **Vendor signs**
Vendor dashboard OR email link
DocuSign JWT · legally binding

32 envelope-completed event
HMAC-verified, status = completed

33 **Download signed PDF**
Vendor dashboard · admin log
⬇ signed button per envelope

34 **Escrow dual sign-off**
PMC officer + Escrow officer
Release button unlocks

35 Release / Refund / Forfeit
Ledger row · immutable trail

36 **Milestone deliverables**
Contract milestones tracked
Auto-invoice via Engagements

37 Snapshots to /docs/reports
Audit log preserved

Roles at a glance · Admin = PMC operations · Vendor = supplier bidding · Staff = Escrow · Certifier · Legal · Accounting · Committee · System events fire from webhooks or backend jobs
