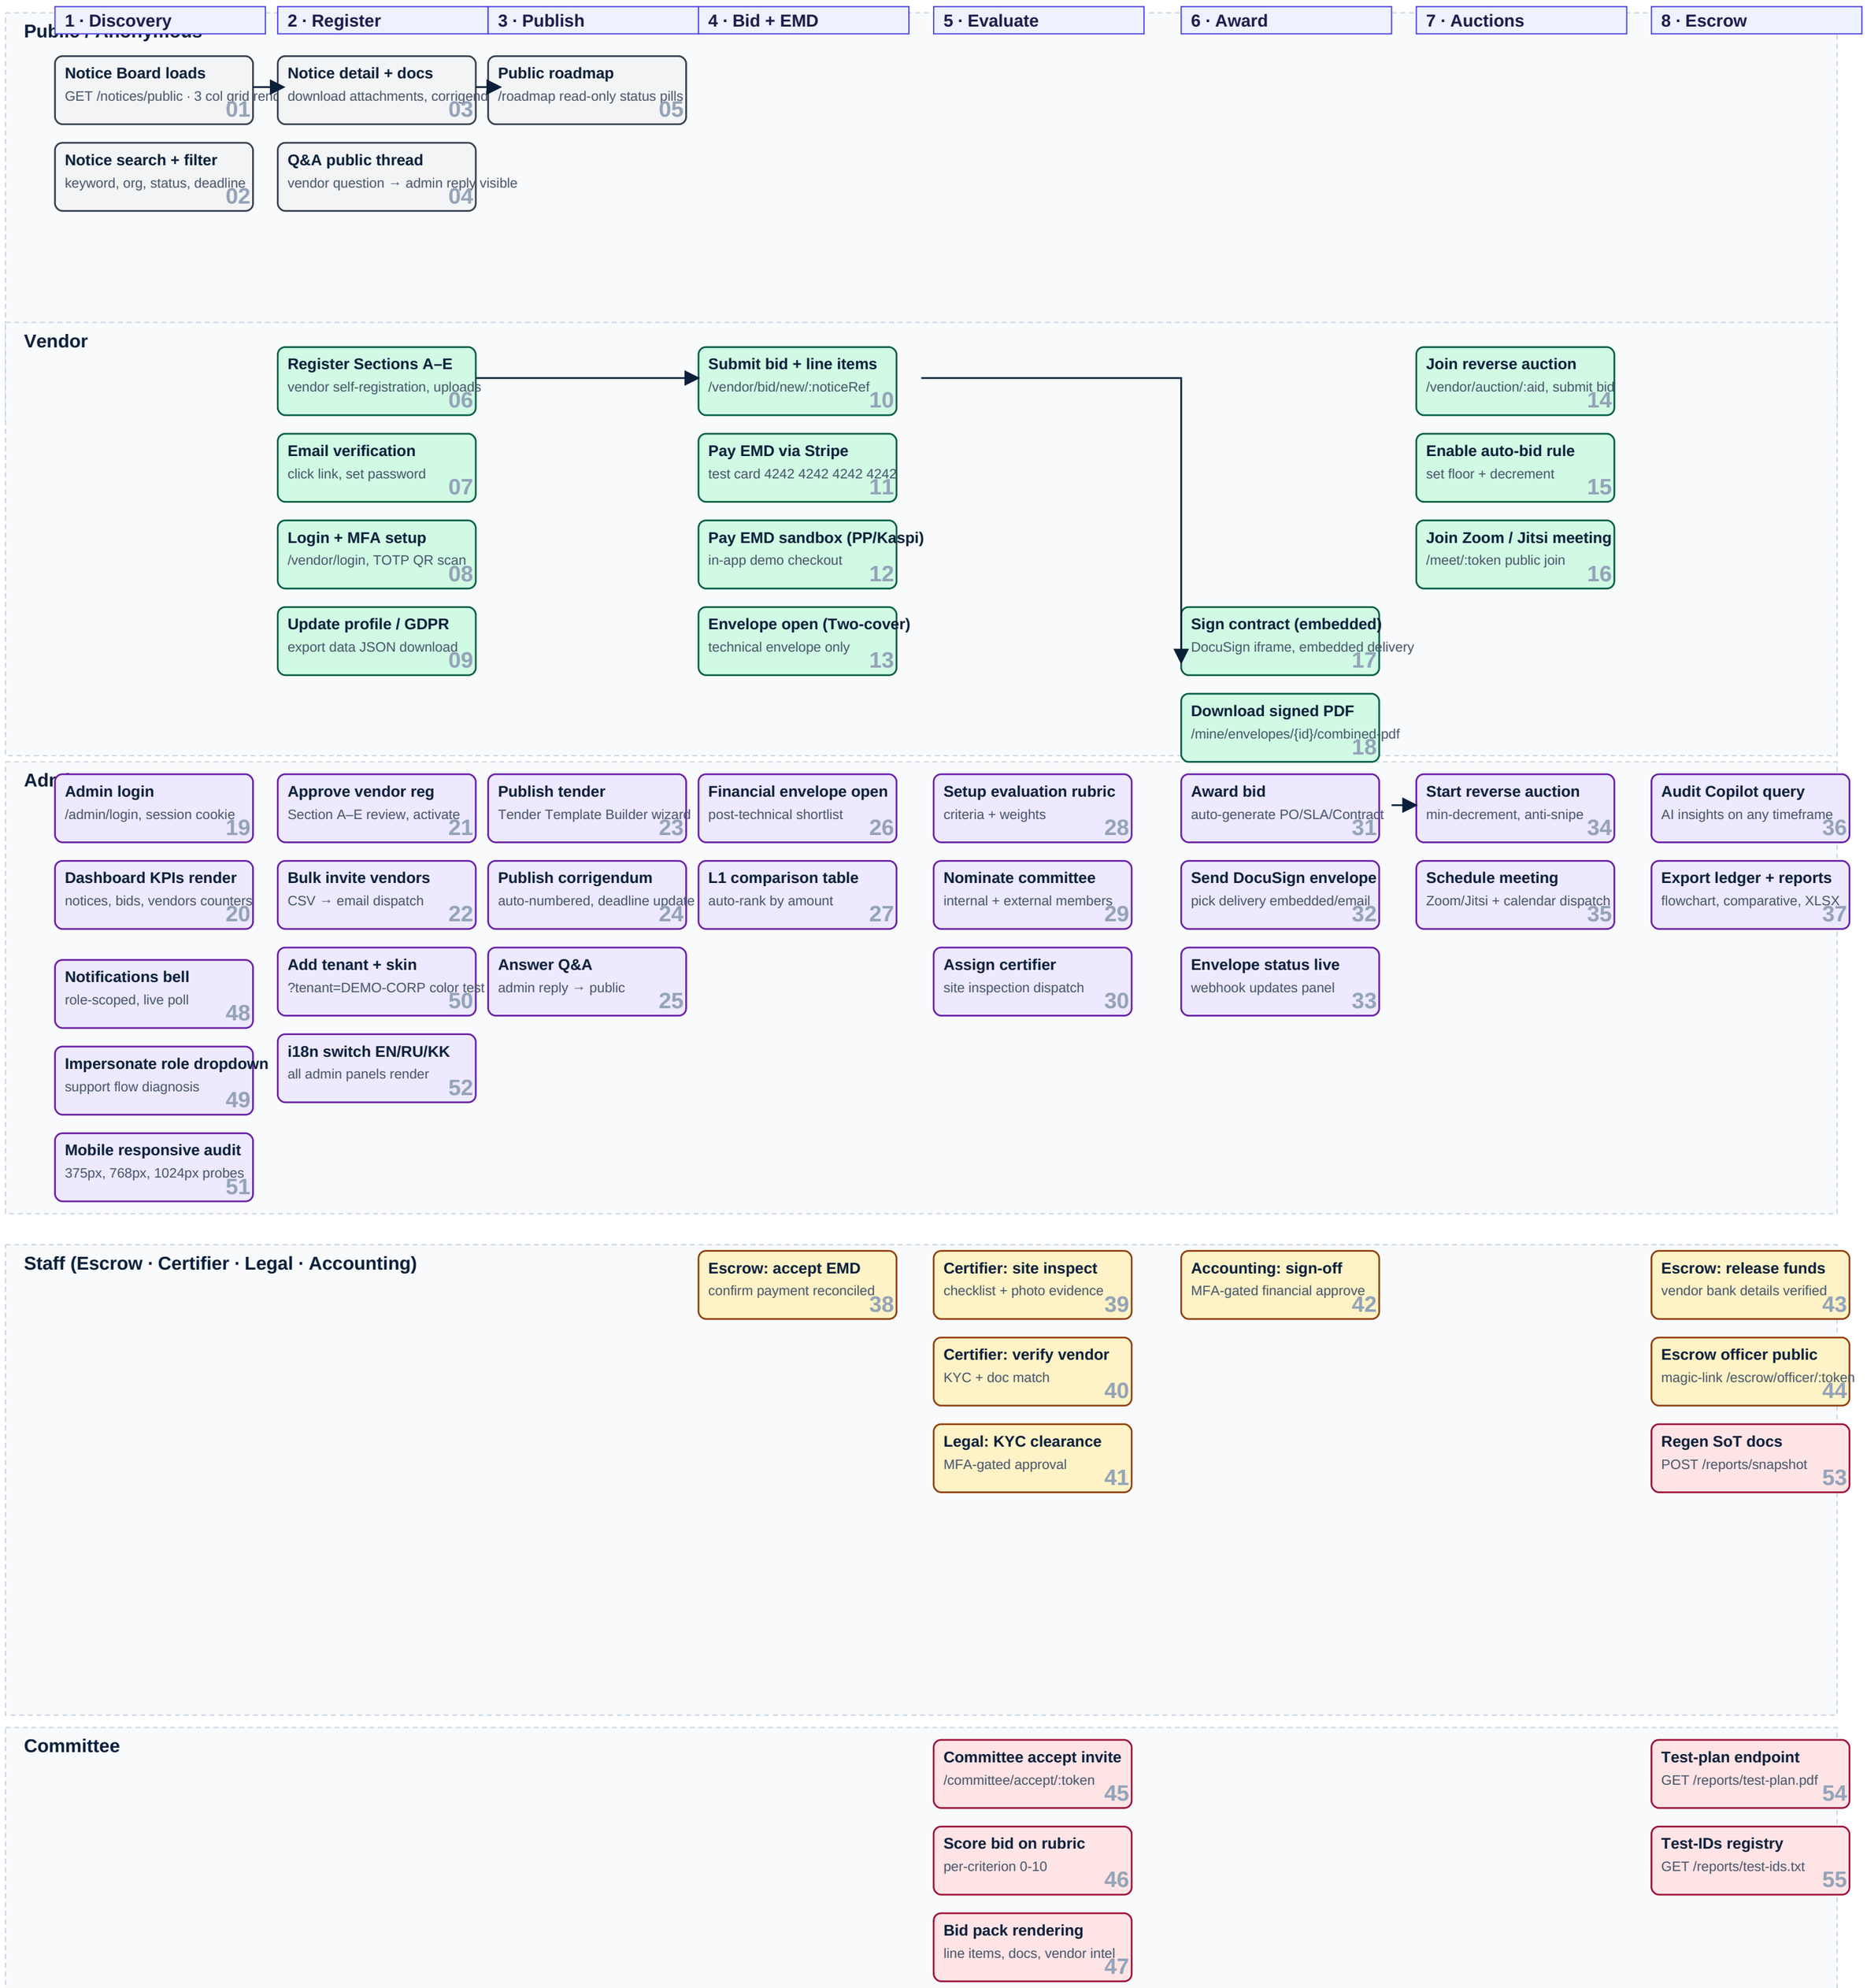
PMC Managers v2 — Comprehensive Testing Flowchart

55 numbered test scenarios across 8 phases and 5 personas · investor-demo QA kit



Legend — gray: Public · green: Vendor · purple: Admin · yellow: Staff · pink: Committee. Every box maps to a data-testid attribute in the frontend. Run each box top-to-bottom, left-to-right. Report failures with the step number.

Boot the QA session with adminsupport@pmcmanagers.com / Admin@123 (rotate before demo) · seeded staff + vendor accounts in test_credentials.md.
